# Welcome to Anaconda

## About our Community

Anaconda is centrally located in the heart of Southwest Montana. While outdoor opportunities such as hiking, fishing, skiing and biking are in Anaconda's back yard, the community is a half-hour from Butte, and about two hours from Missoula and Bozeman - all larger cities that offer metropolitan conveniences.

## Business

Anaconda is welcoming and accommodating to new businesses. It is an open-door community where people are always willing to help out and find better paths to do business.

We've created a free step-by-step guide for those in Montana looking to start a business, covering everything from validating a business idea to funding it. See it here: <https://www.chamberofcommerce.org/how-to-start-a-business-in-montana>

## History

Anaconda is a copper-smelting boom town founded in the late 1800s. Copper that was mined in Butte was processed in Anaconda, and the community grew up around those jobs. Anaconda's blue-collar roots and melting-pot culture have helped create a colorful, tightly knit community. The historic smokestack, which greets visitors entering town from the east, breaks the skyline as a locally beloved icon from days gone by.

# LOCAL GOVERNMENT

Anaconda-Deer Lodge County is a consolidated city-county government with its county seat in Anaconda.

307 E. Park Avenue, Suite 308

# HUNTING & FISHING

A Conservation License is needed before you can buy any fishing or hunting license the FWP issues. A conservation license is also required for anyone 12 or older to access most state lands. Learn more at [ols.fwp.mt.gov](http://ols.fwp.mt.gov). Licenses can be purchased at the locations listed below.

Hunting licenses are issued by Montana Fish, Wildlife, and Parks Department. Their website has all you need to help plan your hunt – including information on regulations, maps of available hunting regulations, maps of available hunting land, and licensing and permitting restrictions, associated costs and application deadlines at <http://fwp.mt.gov/hunting/licenses/>

You can purchase your Montana fishing license(s) and/or stamps in person at a designated license vendor or a Montana Fish, Wildlife and Parks regional office. You can also buy them online at the Fish, Wildlife and Parks website. Most anglers will need both a conservation license and a fishing license. Certain species also require special licenses or permits
